

Reach your nonprofit family anywhere at anytime.

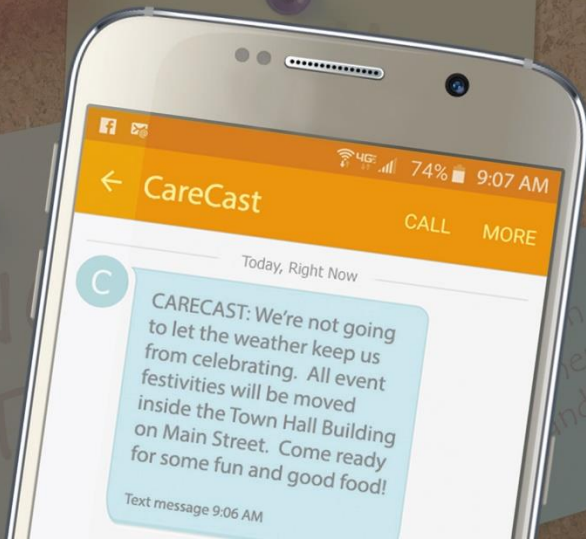

"If you just communicate, you can get by.
But if you communicate skillfully, you can work miracles."
— Jim Rohn

Operating a nonprofit organization often means relying on the support and efforts of donors and volunteers while providing a much needed service to your community.

CareCast is a cost-effective mass notification system tailored to meet the needs of your nonprofit organization.

Voice, Text to Speech, SMS Text, Email and Social Media messages can be created, stored, sent and analyzed from within your CareCast notification system.

CareCast equips your organization with cutting edge tools to enhance the experiences of your clients, volunteers, donors and staff.

Your organization is as unique as the individuals you serve. Is your communication strategy?

Tailor your communication to meet the individual needs of your organization with these CareCast features:

- Phone Calls in Your Voice or Text-to-Speech
- Interactive Texting
- Email Messaging with Advanced Analytics
- Social Media Integration
- Recipient Language Preferences
- Automated Severe Weather Alerts
- Message Templates
- Automatic Data Syncing/Integration
- Immediate Message Delivery & Reports
- And More!
